Hi Michael,

Here are TPs on 401, 404g, and mitigation. I don't have 404c but recommend you draw from the analytical blueprint from the workgroup.

Mindy,

Morning. Hope all is well. We have a Performance Partnership Agreement meeting with State of Alaska next week and they are asking for a status update on all of the rulemakings. Do you have a briefing paper that consolidates and provides a status update for all of the 401/404-related rulemaking efforts?

Thanks
